BOULDER POLICIES:

- * Boulders are difficult to estimate. All sizes, weights, and sales quotes are approximate.
- * Customers may be required to put a credit card on file for billing after boulders are selected and weighed.
- * Customers buying "You-Pick" boulders are doing so at their own risk. To prevent injuries, please wear appropriate gloves & shoes.
- * To prevent mistakes, customers may be required to visit our Southfield store to select boulders for your specific project.
- * Please be patient when picking up boulders and scheduling deliveries. Boulders take longer to select and load than other products.
- * Boulders take time to select. Please arrive at our yard AT LEAST 1 HOUR before Closing Time if you'd like to pickup boulders.
- * Dumping boulders WILL CAUSE DAMAGE. We recommend dumping in a "soft" area rather than on hard pavement.
- * To prevent damage during dumping, larger boulders may REQUIRE a forklift delivery.
- * For safety & insurance reasons, **WE DO NOT INSTALL BOULDERS**. If we deliver boulders with a Forklift, we will gladly place them as close to the area as our machine can fit without risking property damage, however, we are a delivery service, not an installation service.
