**BOULDER POLICIES:**

4/1/2024

- \* Boulders are difficult to estimate. All sizes, weights, and sales quotes are approximate.
- \* Customers may be required to put a credit card on file for billing after boulders are selected and weighed.
- \* Customers buying "You-Pick" boulders are doing so at their own risk. To prevent injuries, please wear appropriate gloves & shoes.
- \* To prevent mistakes, customers may be required to visit our Southfield store to select boulders for your specific project.
- \* Boulders take time to select. Please arrive at our yard AT LEAST 1 HOUR before Closing Time if you'd like to pickup boulders, and please be patient when selecting.
- \* Dumping boulders WILL CAUSE DAMAGE. We recommend dumping in a "soft" area rather than on hard pavement. Larger boulders may REQUIRE a forklift delivery.
- \* For safety & insurance reasons, **WE DO NOT INSTALL BOULDERS**. If we deliver boulders with a Forklift, we will gladly place them as close to the area as our machine can fit without risking property damage, however, we are a delivery service, not an installation service.
